SYMBOL

MEANING

	SYMBOL	MEANING
SPIRITUAL	CROSS	 In Christianity, the cross symbolizes the "suffering on the cross". In mediaeval allegory, depicted with branches, the cross becomes a bridge or ladder by which a soul may reach for God. The horizontal cross bar marks the delineation between the celestial world and that of earth.
	TREE OF LIFE	 The Tree of Life depicts the everlasting cycles of life: from seeds to full growth, through death and regeneration. A tree naturally reaches deep down into Mother Earth for nourishment and also reaches skyward towards the Light.
	ANGELS	 Angels are invisible forces, which have been depicted in art back to the 4th millennium. Angels are messengers, teachers, healers, and guardians.
	TASSELS	 Tassels are symbolic of the Lotus Blossom, the universal symbol of enlightenment.
NATURE	CRYSTAL	 Like many precious stones, a crystal is a symbol of the spirit. The "state of transparency" is defined as one of the most beautiful and effective conjunction of opposites that exists – yet one can see through it as if it were not there.
	LEAF	 Leaves represent happiness.
	STARS	 Stars are powerful energy cleansers and they accelerate spiritual development.
ANIMALS & BIRDS	WINGS	 Wings signify spirituality, imagination, and thought.
	BUTTERFLY	 Butterflies are the emblem of the soul and signifies our unconscious attraction toward the Light.
	FEATHER	 In the realm of birds, feathers caress the wind and are creators in the air. According to St. Gregory, feathers symbolize faith and contemplation. Newly departed loved ones often leave feathers for us to find.
	TURTLE	 The turtle teaches us endurance and reminds us that slow and steady are okay. Native Americans see the shell as the dome of the sky over the body of the earth.
	HUMMINGBIRD	 Hummingbirds symbolize an open heart, which gives freely of emotional sweetness.
	DRAGONFLY	 The dragonfly represents transformation and reawakening.
	ELEPHANT	 The elephant symbolizes strength and loyalty. A raised trunk indicates good luck.
